# Charlton Central Residents Association

**Bulletin No.3**

**June 2008**

Thank you for supporting our recent social events. We hope even more of you will join us for future events listed in the Bulletin. Membership subscriptions and your continued support at social events will ensure crucial funding for Bulletins and Grapevine and help promote CCRA and bring the community together.

CCRA members turned out to cheer runners in the London Marathon on 13th April. The Spring Social on 23rd April was a great success. Local musicians played, our councillors gave their support, people mingled, and a 'graffiti wall' attracted various comments and ideas for social events as well as future work for CCRA. We will report further on these in the next issue of the Grapevine. *An added benefit was that we raised £127 through the raffle and refreshments; many thanks to all who donated prizes and assisted on the day.*

We also raised £113 at the Nearly New Sale of babies' and children's clothes and toys. Again many thanks to all who helped make this a success. We received several requests to repeat this and to run a more general table top event and another babies' and children's table sale in October, so watch this space – details will follow soon!

### Saturday 2nd August 3pm – BBQ at 12 Wellington Gardens

The biggest single vote for a future fundraising event at the spring social was for a barbecue – so this is your chance to meet more neighbours in relaxed and friendly surroundings and help the work of CCRA. 40 tickets for CCRA members are available – the cost is £10.00 for adults and £5.00 for children, which includes all food and beverages. Call Dave and Elaine Picton 020 8858 4942 to reserve your tickets.

## ***DON'T FORGET – Wednesday 17th September at 7.00 CCRA Annual General Meeting & our own 'Question Time'***

**The AGM will be our first birthday. We will be electing a committee and reporting on achievements of the past year and plans for the future.**

**We will also have an invited guest panel to answer some of your questions about local issues, followed by mingling, nibbles and drinks.**

***More details in the next Bulletin and Grapevine.***
